

CURRICULUM VITAE

1. Title, Affiliation, and Address

Title: Dr. Peiqun Zhang

Affiliation: National Climate Center of China Meteorological Administration,

Mailing Address: No. 46 Zhongguancun Nandajie, Beijing 100081

Tel: +86-10-68407175 (O)

Fax: +86-10-62179859

E-mail: zhangpq@cma.gov.cn

2. Education

Ph.D. (1997), Atmospheric Sciences, Lanzhou University, China

M. S. (1994), Atmospheric Sciences, Lanzhou University, China

B. S. (1991), Atmospheric Sciences, Lanzhou University, China

3. Professional Experience

1997-2001 Scientist, Operational Works and Research on short-term climate prediction in Climate Prediction Division of NCC.

2001-2004 Deputy director of Dynamical Climate Division of NCC.

2004-2007 Director of Division of Climate Diagnostic and Prediction of NCC

2007-2011 Director of Division of Climate Impact Assessment of NCC

2011-Present Deputy Chief Engineer of NCC, Director of Division of Science, Technology and Operation of NCC

4. Research Interest

Climate variability and its Diagnosis

East Asian monsoon predictability

Short-term climate prediction methodology
